Examiner, Art Unit 2178

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: In summary, Examiner contacted Mr. Amin about doing an Examiner's Amendment to put the case into allowance by requesting to move the limitation disclosing an object pointer comprising a vtable pointer from Claim 9 into Claim 1 and its parallel independent claims. Mr Amin agreed to the request. Furthermore, Mr Amin and Examiner Faber discuss resolving the other issues recited in the previous Office action to move the case into allowance. Mr Amin provided Examiner Faber with proposed amendments for the Examiner's Amendment that overcame all the issues along with the moving the limitation into the independent claims.   .
